23. Fishing begins at 5:00 am CDT for the RECREATIONAL Division and at 12:01 am CDT for the OPEN Division.
24. Participants must abide by State of Florida Fishing Rules.
25. IGFA rules apply; only the angler claiming the catch can touch the rod or fishing line at any time from hook-up to landing. Another angler can gaff fish but cannot help with the rod.
26. No fish may be transferred from one boat to another.
27. Fish weighed must be caught during the day and at designated times of the tournament.

28. Spanish Mackerel must have a sufficient amount of the black front dorsal fin present for positive and unquestionable identification by the weighmaster.

WEIGH-IN

29. Weigh-in ends at 6:00 pm CDT. At the sound of the horn, all anglers must be in line at the scales with their fish to weigh in and be recognized by the Weighmaster/Staff. If you are late or don't have your fish in the line, you are not allowed to weigh.
30. You may only weigh one fish in each category, except in the OPEN division for Pelagic Purse.
31. Pelagic Purse in the OPEN division includes King Mackerel, Mahi, Blackfin Tuna, and Wahoo. Weigh **UP TO** two (2) of four (4) fish. If a King Mackerel is weighed in the OPEN Division, the same fish must be part of the aggregate weight. The winner is determined by the largest aggregate weight.
32. All fish are subject to inspection.
33. All fish must be well preserved as a fresh catch of the tournament day. It is recommended fish be immediately chilled and properly stowed to prevent deterioration, damage, and mutilation prior to weigh-in. Fish showing signs of improper care will be suspected as fish caught prior to tournament day and rejected by the Weighmaster.
34. In the event of a tie in fish weight, the winner is determined by the earliest time the fish is weighed.
35. Anglers must collect their weight tickets from the Weighmaster prior to departing the scales. Review your tickets to verify your fish weights, and Captain/Boat's name was recorded accurately. Once you depart the scales, you will not be allowed to weigh again or request corrections.

PROTESTS

36. Protests must be submitted to the Tournament Director in writing prior to the presentation of prizes. Only a Captain registered in the Tournament may file a protest. A \$200 cash deposit must accompany each protest. In the event the protest is upheld, the deposit will be refunded; however, if the protest is not upheld, the deposit will be forfeited. The final decisions of the Tournament Committee are binding regarding any protest. Disqualified boats will be ineligible for all tournament prizes.

POLYGRAPH

37. Winners may be subject to a lie detector test administered by the Bay County Sheriff's Department. Any angler failing the test or refusing to take the test will be automatically disqualified as well as the boat used by that angler.

MISCELLANEOUS

38. The tournament committee reserves the right to postpone/cancel the tournament due to inclement weather, small craft warnings, or advisories. Changes will be announced by noon on the Wednesday before the tournament date. The postponement date is the first Saturday in August.
39. Entrants/participants agree to allow tournament officials to use photos for media and promotional purposes.

COMMONLY ASKED QUESTIONS

1. Can I leave early from the dock? When you leave is up to you. You can leave very early on Saturday morning, but Recreational boats may not start fishing until 5:00 am CDT on Saturday. You are on your honor not to fish before 5:00 am CDT. Open Division starts fishing at 12:01 am CDT on Saturday.
2. Can I leave from another dock somewhere outside of Mexico Beach? Yes, you can leave from the waterways of East Pass Panama City, Mexico Beach, St Joe Bay, and Indian Pass.
3. Do I have to weigh my fish at Mexico Beach Boat Ramp? Yes.
4. Can I park my boat at another place and bring my fish to the scales by truck or car? Yes, as long as you make it to the scales before 6:00 pm CDT.
5. Can I get assistance getting my fish to the scales? No, you are responsible for getting your fish to the scales to weigh. The tournament staff cannot help you get in to weigh your fish. You must make decisions on which fish to weigh.

6. If I am in line at the weigh-in and it gets to be 6:00 pm, can I still weigh my fish? Yes. The tournament director will blow a horn at 6:00 pm CDT and any fisherman in line at the scales with their fish and recognized by the Weighmaster/Staff will be allowed to weigh their fish.
7. Do I have to be a member of MBARA to fish in the tournament? No, but we encourage you to join, helping us to build more reefs. You can go to the website at www.mbara.org.
8. I would like to donate a door prize. Please contact Captain Mitch Coleman at mcoleman54@yahoo.com.
9. How do you keep from having a tie? Ties are not possible. Fish are ranked in the order they are weighed. The first fish of equal weight takes precedence. So a 40.33-pound kingfish weighed in at 3:00 pm will rank higher than a 40.33-pound kingfish weighed in at 3:30 pm.
10. What if I have a protest or complaint? Protests must be submitted to the Tournament Director in writing prior to the presentation of prizes. Only a Captain registered in the Tournament may file a protest. A \$200 deposit must accompany each protest. In the event the protest is upheld, the deposit will be refunded. If the protest is not upheld, the deposit will be forfeited. The final decisions of the Tournament Committee are binding regarding any protest. Disqualified boats will be ineligible for all tournament prizes.
11. Where do I put my boat? Mexico Beach has an excellent boat ramp where you can launch your boat and park your trailer. Also, you can call the City of Mexico Beach and reserve a slip or a space along the canal walkway where you can tie up (850) 648-5700). Port St. Joe also has a boat ramp at Frank Pate Park.
12. If we lose our registration form, can we still weigh a fish? Yes. However, you are still required to keep your yellow registration form or online receipt in case there is a question about your registration. Be prepared to produce your registration if requested.
13. What if my boat blows an engine on Friday while I am catching bait and I have already registered, can I change my registration to another boat? Yes, as long as you do it on Friday before the close of registration or any day before Friday. Just contact the tournament director. You CAN NOT change boats on Saturday, the day of the tournament.
14. If I register in the Ladies' and Juniors' Divisions, can my boat win more than one prize? Yes, for example, dad caught the big king in the recreational division, but mom and kids are entered and also have kings to weigh from the same boat entry, those can be weighed in the division caught and will be eligible to win. Juniors and ladies aboard boats in both the Open or Recreational divisions are eligible to register and compete in the Juniors and Ladies Divisions. Juniors must be under 16 as of the scheduled day of the tournament and Ladies Division must be 16 years or older as of the scheduled tournament day.
